13 November 2017

Dear Ms Strange,

Thank you so much for thinking of the Foodbank for your Harvest Festival collection. We are so grateful to everyone that has supported us.

Your congregation collected 156.76 kg of food, which is enough to help up fifteen people for three to four days when they are in crisis. To date we have fed 1473 people in the Braintree area since April 1<sup>st</sup> with 537 of that number being children and the need is growing, so you can see how your donation is a great help to those in need.

Harvest Festival donations have ensured that our warehouse is well stocked ahead of the winter months when we know we will be helping more and more people.

Yours sincerely,

Alysson Nolan  
Foodbank Admin Assistant
